Dear Mr. Perry:

On August 30, 2001, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of Hypertherm Incorporated ("Hypertherm"). The purpose of the inspection was to determine Hypertherm's compliance status relative to RSA Ch 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Hypertherm was issued Letter of Deficiency No. WMD 02-03 ("LoD"). Based upon a review of Hypertherm's submittals, DES has determined that your facility has corrected the deficiencies identified in the LoD.

Please be advised that DES will continue to monitor Hypertherm's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Tim Prospert or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,

Kenneth W. Marschner, Administrator
